A MESSAGE FROM YOUR PRESIDENT

Wayne Hyvarinen, Jr.

Thank you for electing me to the office of President. I will do my best to make this a great year for the booster club. Unfortunately, things are going to get a slow start, but I promise to make up for it. I will be spending the month of July either at work or in Ohio (on vacation). Come August, I will get together with our officers to outline the upcoming season. I'll be asking a number of you to fill some of the unelected positions and volunteer spots. Please be open to the idea of serving in one of these posts.

What a difference a year makes. Last year at this time, we were afraid another season lost to the lockout. Thankfully that didn't happen. The new season started off with a bang, the signing of Paul Kariya, and so has this one with the signing of Jason Arnott. Last season the league made up for the lost season by playing three or four games a week (to make room for the Olympic break). This year won't be quit as hectic. This should allow us to have a number of viewing parties and meetings that just weren't possible last season.

Before you know it, training camp will be upon us. Hope you all get your rest this summer because this season will be rocking before you know it.

Wayne Hyvarinen, Jr.
President 2006-2007
